

Product Name: **GU10**

Model: **GU10 7W**

Product Features

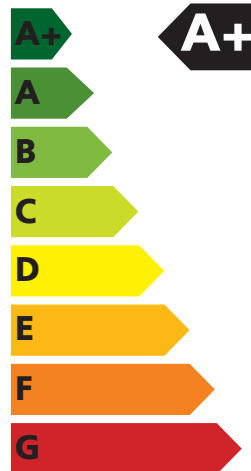

- Retrofit
- Long life, low light loss, low maintenance
- High luminous, energy saving over 90% compared with conventional lamp
- Easy installation
- Does not contain mercury

Product Image

Light Technical Specification

Wattage	7W
Voltage	185-260V
Frequency	50/60Hz
Luminous Flux	560 Lm
Beam Angle	38°
Operating Temperature	-20°C – +50°C
CCT	2700K, 4000K, 6500K
Rated Lifetime	30.000 hours
Base	GU10
Body	Pure Aluminium
Cover	Plastic
Certificates	CE, ROHS

up to
95%
Energy Savings

Benefits

- Reduce Power Consumption
- Reduce CO₂
- Reduce Maintenance
- No Flicker, no UV

Applications

- Residential Use
- Business Use
- Industrial Use
